EDUCATION:

Ph.D.	Counseling Psychology (APA accredited)	Marquette University, Milwaukee, WI	08/11
M.A.	Counseling (en route to PhD)	Marquette University, Milwaukee, WI	08/06
B.S.	Psychology (summa cum laude)	University of Central Florida, Orlando, FL	08/04
A.A.	Psychology (summa cum laude)	Seminole Community College, Sanford, FL	12/02

CURRENT POSITIONS:

James A. Haley Veterans' Hospital, Tampa, FL 09/13-present

Neuropsychologist

- Conduct neuropsychological evaluations, in outpatient and inpatient settings, with referrals from neurology, psychiatry, psychology, primary care physicians, and rehabilitation medicine.
- Assist in differential diagnosis of neurobehavioral and psychiatric disorders and provide recommendations for preserving and/or improving cognitive and behavioral functioning.
- Common diagnoses encountered include TBI, stroke, delirium, dementia, HIV/AIDS, mild cognitive impairment, depression, and PTSD.
- Teach psychology and neuropsychology trainees via seminar lecture series.

James A. Haley Veterans' Hospital, Tampa, FL 09/13-present

Traumatic Brain Injury Model System Program Data Manager/Study Coordinator

- The TBI Model System program is a longitudinal multi-center study designed to improve outcome among persons with TBI.
- Co-author manuscripts and co-present research based on TBI Model System study findings.
- Oversee participant recruitment, data collection, data entry, and quality control audits.
- Generate reports to track enrollment and data integrity. Discuss with research team to improve process.
- Prepare and submit IRB amendments, continuing reviews, and reportable events.
- Coordinate orientation to study for new research team members.

James A. Haley Veterans' Hospital, Tampa, FL 06/14-present

Associate Coordinator, Clinical Psychology Practicum Training Committee

- Oversee recruitment, application submission, and selection process to on site practicum program.
- Lead in-service to hospital psychologists supervising practicum students providing information on hospital guidelines for documentation and supervision of unlicensed trainees.
- Corresponded with practicum students' host training programs updating them on students' progress.

POSTDOCTORAL CLINICAL TRAINING:

James A. Haley Veterans' Hospital, Tampa, FL 09/11-09-13

Clinical Neuropsychology Postdoctoral Fellow (APA-accredited program)

Clinical Training Directors: Glenn Curtiss, PhD & Heather G. Belanger, PhD ABPP-CN

Rotation 1: General and Geriatric Outpatient Neuropsychology

Supervisors: Jessica L. Vassallo, PhD ABPP-CN & Eric P. Spiegel, PhD

- Completed neuropsychological evaluations in an outpatient setting serving adults and older adults.
- Common diagnoses seen: dementia, mild cognitive impairment, depression, Parkinson's disease.
- Provided neuropsychological interventions in group and individual formats.
- Supervised psychology and neuropsychology interns.

Rotation 2: TBI & Polytrauma Rehabilitation/Inpatient Neuropsychology

Supervisors: Risa Nakase-Richardson, PhD & Heather G. Belanger, PhD ABPP-CN

- Completed neuropsychological evaluations in an inpatient rehabilitation setting serving active duty soldiers and veterans with moderate-to-severe traumatic brain injuries. Evaluation goals were to assist with rehabilitation treatment and discharge planning.
- Performed serially neurobehavioral status exams for patients with disorders of consciousness to track emergence from coma and vegetative states.
- Educated patients, family, and treatment staff about TBI-related cognitive and behavioral sequelae.

Rotation 3: USF Comprehensive Epilepsy Program/Outpatient Neuropsychology

Supervisor: Michael R. Schoenberg, PhD ABPP-CN

- Conducted neuropsychological evaluations of patients with medication refractory epilepsy to characterize cognitive deficits and assist in determining surgical candidacy.
- Performed cognitive portion of Wada's evaluation to determine language and memory lateralization.
- Additionally conducted neuropsychological evaluations of adults and children in the context of movement disorders, multiple sclerosis, stroke, brain tumor, and developmental disabilities.

Rotation 4: Mild TBI/PTSD Inpatient Neuropsychology and Inpatient General Rehabilitation

Supervisor: Tracy S. Kretzmer, PhD

- Provided neuropsychological and psychological services for returning OEF/OIF/OND service members through the Post-deployment Rehabilitation and Evaluation Program, to assist in prioritizing and planning rehabilitation treatment. Provided evidence-based interventions in individuals and group formats
- Additionally, provided neuropsychological evaluations and intervention in the context of stroke, cardiac rehabilitation, multiple sclerosis exacerbations, and severe and persistent mental illness, with referrals from inpatient med-surg, inpatient PM&R, and inpatient psychiatry/acute crisis units.

PREDOCTORAL CLINICAL TRAINING:

James A. Haley Veterans' Hospital, Tampa, FL

07/10-07/11

Neuropsychology Predoctoral Intern (APA-accredited program)

Clinical Training Directors: Glenn Curtiss, PhD & Karen J. Nicholson, PhD

Rotation 1: Memory Disorders Clinic/Outpatient Neuropsychology

Supervisor: Eric P. Spiegel, PhD

- Conducted neuropsychological evaluations to aid in differential diagnosis of neurodegenerative conditions (e.g., dementias), mild cognitive impairment, psychiatric disorders, and other neurobehavioral syndromes.
- Provided neuropsychological interventions to patients and families about preserving cognitive functioning.

Rotation 2: TBI/Polytrauma Inpatient and Outpatient Neuropsychology

Supervisor: Rodney D. Vanderploeg, PhD ABPP-CN & Veronica L. Clement, PhD ABPP-CN

- Completed inpatient neuropsychological evaluations in the context of moderate and severe TBI.
- Completed outpatient neuropsychological evaluations for returning OEF/OIF/OND service members through the Post-deployment Outpatient TBI & Polytrauma Neuropsychology Clinic.
- Provided education to patients and families about TBI-related cognitive and emotional sequelae and provided recommendations for improving educational, occupational, and social functioning.

Rotation 3: TBI Transitional Rehabilitation/Community Reintegration Program

Supervisors: Jennifer J. Duchnick, PhD ABPP-RP & Anna M. Hakkila Cradit, PhD

- Provided individual and group psychological interventions to patients in post-acute/chronic TBI recovery.
- Goals focused on improving symptoms, managing behavior, and increasing functional independence.
- Participated in outcomes evaluation by tracking indices of cognitive and functional status.

Rotation 4: Inpatient Psychology/Acute Recovery Center for Severe Mental Illness

Supervisors: Kimberly M. Gronemeyer, PsyD & Stephanie N. Miller, PhD

- Conducted psychological evaluations, brief supportive counseling, and short-term group therapy for veterans admitted for inpatient psychiatric stabilization.
- Typical diagnoses included psychotic disorders, bipolar disorder, severe depression, and PTSD.

Aurora St. Luke's Medical Center, Center for Neuropsychology Services, Milwaukee, WI

08/09-06/10

Neuropsychological Assessment Practicum

Supervisor: Joseph M. Cunningham, PhD ABPP-CN

- Completed comprehensive neuropsychological evaluations in an outpatient hospital setting in the context of dementia, epilepsy, learning disorders/ADHD, multiple sclerosis, and movement disorders.

Froedtert Hospital/Medical College of Wisconsin, Neuropsychology Clinics, Milwaukee, WI 08/06-06/08

Neuropsychological Assessment Practicum

Supervisors: Sara J. Swanson, PhD ABPP-CN & Thomas A. Hammeke, PhD ABPP-CN

- Conducted outpatient neuropsychological evaluations through the Epilepsy Clinic, Memory Disorders Clinic, Multiple Sclerosis Clinic, Neuro-Oncology Cognitive Clinic, and General Service Clinic.

Clement J. Zablocki VA Hospital, Palliative Care & Geropsychology Clinics, Milwaukee, WI 09/07-05/08

Psychotherapy Practicum

Supervisors: Heather M. Smith, PhD & Gregory J. Simons, PhD

- Provided psychological assessments and interventions through two hospital units: The palliative care unit, treating veterans with end-stage terminal diseases, and the geropsychology program, a rehabilitation program for patients recovering from neurological, cardiac, and orthopedic conditions.
- Additionally, provided family education plus individual and group counseling.

Clement J. Zablocki VA Hospital, Psychosocial Rehabilitation Program, Milwaukee, WI 08/06-06/07

Psychotherapy Practicum

Supervisors: Michael Haight PhD & Catherine M. Coppolillo, PhD

- Provided psychological services in a residential setting for patients with substance use disorders and psychiatric disorders.
- Co-facilitated trauma survivor support groups and rational emotive behavior therapy (REBT) groups.

Guest House Homeless Shelter, 7Cs Community Counseling Clinic, Milwaukee, WI 05/06-08/06

Psychotherapy Practicum

Supervisors: Terence J. Young, PsyD ABN & Lynn A. Catlin, PhD

- Provided individual and group psychotherapy in a residential setting for patients with substance use disorders, mood disorders, and anxiety disorders.

Milwaukee School of Engineering, Counseling Services Center, Milwaukee, WI 08/06-05/06

Counseling Practicum

Supervisors: Joseph P. Meloy, MS LPC & Mary Jo Wellenstein, MS LPC

- Provided individual counseling and group psychoeducation to students at an urban private college.
- Served on the multidisciplinary committee aimed at identifying students at risk for dropping out due to academic and/or mental health concerns and facilitating their connection to services and resources.
- Authored bimonthly mental health awareness newsletters.

CLINICAL SUPERVISION/ADMINISTRATION EXPERIENCE:

Marquette University, 7Cs Counseling Clinic and Behavioral Health Research, Milwaukee, WI 01/09-08/09

Clinical Supervisor Trainee

Supervisors: Todd C. Campbell, PhD & Terence J. Young, PsyD ABN

- Provided tiered clinical supervision to graduate students in Marquette University's Master's in Counseling program, as part of students' counseling practicum at 7Cs Counseling Clinic.
- Co-led peer group supervision and facilitated journal club.

Marquette University, 7Cs Counseling Clinic and Behavioral Health Research, Milwaukee, WI 08/07-08/09

Assessment Training Coordinator

Supervisors: Todd C. Campbell, PhD & Terence J. Young, PsyD ABN

- Coordinated assessment training for graduate students in Marquette University's Master's in Counseling program, as part of students' assessment practicum at the 7Cs Counseling Clinic.
- Assisted with patient scheduling, selecting test batteries, and developing clinic policies and procedures.

Guest House Homeless Shelter, 7Cs Community Counseling Clinic, Milwaukee, WI 08/05-08/07

Clinic Coordinator/Office Assistant

Supervisors: Todd C. Campbell, PhD & Lynn A. Catlin, PhD

- Assisted director with developing clinic policies/procedures. Created test administration/scoring manuals.
- Coordinated scheduling, tracked treatment utilization/staff productivity, and handled billing.

TEACHING EXPERIENCE:

James A. Haley Veterans' Hospital, Tampa, FL

Presenter, Neuropsychology Seminar Series

- Introduction to Deep Brain Stimulation 03/02/2016
- Neuropsychology of Epilepsy 04/01/2015
- The Cranial Nerves and Impact of Deficits on Neuropsychological Assessment 10/02/2014
- Deep Brain Stimulation for Movement Disorders and Neuropsychological Outcome 11/06/2013
- Neuropsychology of Epilepsy 04/10/2013
- Neuroanatomy of Language 03/06/2013
- Neuroanatomy of the Somatosensory and Motor Systems 10/31/2012
- Brain Stem Anatomy and the Cranial Nerves 10/03/2012
- Neurobehavioral Functioning in Disorders of Consciousness 11/30/2011
- Neuropsychological Aspects of Movement Disorders 10/26/2011
- Neuroanatomy of the Visual Cognitive System 04/04/2011
- Neuroanatomy of Attention 12/28/2010

University of South Florida, Dept. of Psychiatry and Behavioral Neurosciences, Tampa, FL

Guest Presenter

- Neuropsychological Findings after Mild Traumatic Brain Injury 03/15/2013
- Screening for Cognitive Dysfunction 05/03/2012

Marquette University, Dept. of Counselor Education & Counseling Psychology, Milwaukee, WI

Adjunct Instructor

- Assessment in Counseling 08/08-05/10
- Counseling Practicum 08/08-05/10

Teaching Assistant

- Multicultural Counseling 02/09-04/10
