Mobile: 813-334-3218

EDUCATION

MSPH **Public Health, Behavioral Health focus** (August 2011)
University of South Florida, College of Public Health, Department of
Community and Family Health, Tampa, Florida

Thesis: Drug courts work, but how? Preliminary development of a measure to assess drug court structures and processes

BA **Psychology, Cum Laude** (December 2008)
University of South Florida, College of Arts and Sciences, Department of
Psychology, Tampa, Florida

Thesis: Recovery orientation of treatment, consumer empowerment, and satisfaction with services: A mediational model

PROFESSIONAL EXPERIENCE

3/15 – present, **Research Health Science Specialist**, *HSR&D Center of Innovation on Disability and Rehabilitation Research (CINDRR), Department of Veterans Affairs*

8/14 – 3/15, **Research Coordinator III**, *Department of Cancer Epidemiology, Division of Population Sciences, Moffitt Cancer Center, Tampa, FL*

2/11 – 08/14, **Research Support Specialist**, *Department of Mental Health Law and Policy, Louis de la Parte Florida Mental Health Institute, University of South Florida, Tampa, FL*

1/09 – 2/11, **Graduate Research Assistant**, *Department of Mental Health Law and Policy, Louis de la Parte Florida Mental Health Institute, University of South Florida, Tampa, FL*

5/08 – 12/08, **Research Assistant**, *Department of Child and Family Studies, Louis de la Parte Florida Mental Health Institute, University of South Florida, Tampa, FL*

08/07 – 12/08, **Research Assistant**, *Department of Mental Health Law and Policy, Louis de la Parte Florida Mental Health Institute, University of South Florida, Tampa, FL*

HONORS AND AWARDS

Finalist (top three), American Public Health Association Applied Statistics Section Student Research Competition, 141th annual meeting of the American Public Health Association, Boston, MA (November 2013). Too many zeros, too long a tail: Mixed-effects, mixed-distribution (MEMD) modeling as a powerful approach to analyzing public health data.

Finalist, American Public Health Association Mental Health Section Ken Lutterman Student Research Award, 141th annual meeting of the American Public Health Association, Boston, MA (November 2013). Substance use reductions among female offenders participating in a gender-specific drug court intervention for prescription drug abusers: Does age matter?

Best College of Public Health Graduate Student Poster Presentation, 23rd Annual USF Health Research Day, University of South Florida, Tampa, FL (February 2013). Do drug court participants reduce their levels of substance use over time, and does this differ by younger and older adults? Application of a mixed-effect, mixed-distribution model.

First place, Poster Presentation in Behavioral and Social Sciences, 9th Annual Undergraduate Research Symposium, University of South Florida, Tampa, FL (April 2011; co-mentor for student award). Characteristics of prescription drug-related deaths in Hillsborough County.

*First place, Excellence in Scholarly and Creative Research by an Undergraduate – Science and Engineering category, 8th annual Undergraduate Research Symposium, University of South Florida, Tampa, FL (April 2010; recognition for outstanding first-author publication by an undergraduate). Factors predicting arrest for homeless persons receiving integrated residential treatment for co-occurring disorders. *Criminal Behaviour and Mental Health, 19(5), 291-297.**

First place, Paper Presentation in Behavioral and Social Sciences, 7th annual Undergraduate Research Symposium, University of South Florida, Tampa, FL (April 2009). Treatment recovery orientation, consumer empowerment, and satisfaction with services: A mediational model.

Second place, Poster Presentation in Behavioral Sciences, 7th annual Undergraduate Research Symposium, University of South Florida, Tampa, FL (April 2009). Examining the relationship between trauma and risky sexual behavior in a substance-involved sample.

Grace Allen Scholar, University of South Florida (December 2009; recognition for outstanding undergraduate thesis). Manuscript published online via the University of South Florida Library).

Dean's List, College of Arts and Sciences, University of South Florida (Fall 2006, Spring 2007).

MANUSCRIPTS (*under revision, under review or in preparation*)

- Panaite, V., Schultz, S. K., Rottenberg, J., Devendorf, A., Lapcevic, W. A., **Barrett, B.**, Finch, D. K., & Luther, S. L. (*under review*). Does depression symptom severity assessment and trajectory predict initiation of mental health services for depression in Veterans? Manuscript under review at *Depression and Anxiety*.
- Barrett, B.**, Bulat, T., Schultz, S. K., Luther, S. L., & Cowan, L. (*in preparation*). Mortality and associated risk factors in community-dwelling persons with early dementia. Manuscript to be submitted to *American Journal of Geriatric Psychiatry*.
- Barrett, B.**, Cowan, L., Mellilo, C., Chavez, M., Rugs, D., Spehar, A., & Powell-Cope, G. (*in preparation*). Findings from a cross-sectional survey of doctorally-prepared nurses in the Veterans Health Administration: Implications for the field. Manuscript to be submitted to *Journal of Professional Nursing*.
- Rugs, D., **Barrett, B.**, Chavez, M., Cowan, L., Melillo, C., Sullivan, S., Spehar, A., & Powell-Cope, G. (*in preparation*). A survey of doctorally-prepared nurses in the Veterans Health Administration. Manuscript to be submitted to *Journal of Professional Nursing*.
- Peterson, M. J., Phillips, S., **Barrett, B.**, Lloyd, J., Bulat, T., & Cowan, L. (*in preparation*). Evaluation of protective properties of commercially-available medical helmets: Are medical helmets protective? Manuscript to be submitted to the *Journal of the American Medical Directors Association*.

GRANTSMANSHIP

- Project Title:** VISN 8 Patient Safety Center of Inquiry: “Preventing Adverse Events Associated with Mobility and Immobility”.
- Funding Source:** VA National Center for Patient Safety (January 2018).
- Role:** Co-author
- Award Amount:** \$863,300
- Project Title:** Drug courts work, but how? Preliminary development of a measure to assess

drug court structures and processes. *Travel grant for research presentation at the annual meeting of the American Evaluation Association, Anaheim, CA* (November 2011)

Funding Source: Conference Presentation Grant. University of South Florida, Graduate School (September 2011).

Role: Lead author

Award Amount: \$500

Project Title: Prevalence and correlates of past-year acute behavioral care utilization: Results from the 2008 National Survey on Drug Use and Health. *Travel grant for research presentation at the annual meeting of the American Public Health Association, Washington, D.C.* (October 2011).

Funding Source: Student Honorary Award for Research and Practice. University of South Florida, College of Public Health (September 2011).

Role: Lead author

Award Amount: \$750

Project Title: Drug courts work, but how? Preliminary development of a measure to assess drug court structures and processes. *Grant provided to fund participant graduate thesis expenses.*

Funding Source: Student Research Scholarship (February 2011).

Role: Lead author

Award Amount: \$500

Project Title: Factors predicting arrest for homeless persons receiving integrated residential treatment for co-occurring disorders. *Travel grant for research presentation at the annual meeting of the Academy of Criminal Justice Sciences, Boston, MA* (March 2009).

Funding Source: Student Honorary Award for Research and Practice. University of South Florida, College of Public Health (February 2009).

Role: Lead author

Award Amount: \$450

Project Title: Recovery-Orientations of treatment programs: Relationships with Empowerment. *Grant provided for continued research efforts and manuscript preparation for undergraduate thesis.*

Funding Source: Undergraduate Research Grant. University of South Florida, Office of Undergraduate Research (November 2008).

Role: Principal Investigator

Award Amount: \$500

Project Title: Efficacy of an integrated model for individuals with co-occurring disorders. *Travel grant for research presentation at the 116th annual conference of the American Psychological Association, Boston, MA* (August 2008).

Funding Source: Undergraduate Research Grant. University of South Florida, Office of Undergraduate Research (July 2008).

Role: Contributing author

Award Amount: \$600

Project Title: Social support: Exploring the differences between traditional and consumer-operated services. *Travel grant for research presentation at 2008 Southeastern Evaluation Association annual conference* (February 2008).
Funding Source: National Science Foundation
Position: Lead author
Award Amount: \$400

Project Title: Recovery-Orientations of treatment programs: Relationships with empowerment and consumer satisfaction with services. *Grant provided to fund participant compensation for undergraduate thesis.*
Funding Source: Undergraduate Research Grant. University of South Florida, Office of Undergraduate Research (January 2008).
Position: Principal Investigator
Award Amount: \$500

PUBLISHED ABSTRACTS

2013 (Fall), *The Addiction Newsletter*, a publication of the American Psychological Association Division 50 (Addictions): **Barrett, B.**, & Young, M. S. (2012). Past-year acute behavioral health care utilization among individuals with mental health disorders: Results from the 2008 National Survey on Drug Use and Health. *Journal of Dual Diagnosis*, 8(1), 19-27.

TECHNICAL REPORTS

Powell-Cope, G., Rugs, D., Barks, L., **Barrett, B.**, Besterman-Dahan, K., Chavez, M., Cowan, L., Dirk, L., Melillo, C., & Spehar, A. (2017). - Barrett, B.**, & Teague, G. B. (February 2008). Social support: Exploring the difference between traditional and consumer-operated services. Paper presented at the annual meeting of the Southeast Evaluation Association, Tallahassee, FL.

RESEARCH MENTORING EXPERIENCE

Graduate students

Nichole Snyder (2012-2013), mentor. Factors predicting different types of prescription drug abusers among a college student population. Mentored as part of volunteer graduate research experience and evaluation work conducted for the Florida Collegiate Success Initiative grant.

Undergraduate students

Nicole McBride (Summer 2013), mentor. The role of positive alcohol expectancies in underage binge drinking among college students. Mentored as part of the Summer Research Institute at the University of South Florida. *Winner of the 2013 Research Experience for Undergraduates' Outstanding Research Paper Award.* Manuscript published in the *American Journal of College Health*.

Mara Richman (Summer 2013), co-mentor. Findings from a drug court program of female offenders with co-occurring disorders. Mentored as part of the Summer Research Institute at the University of South Florida.

- Sofia Laguna (Summer 2013), co-mentor. Process evaluation of *YouCan!*: An examination of differences between younger vs. older adult offenders. Mentored as part of the Summer Research Institute at the University of South Florida.
- Brandon Patallo (Summer 2013), co-mentor. Relationship between time in treatment, self-stigma, and sleep quality among Family Dependency Treatment Court clients. Mentored as part of the Summer Research Institute at the University of South Florida.
- Jessica French (Summer 2012), co-mentor. Assessing client and staff attitudes towards using methadone in a medication-assisted drug court treatment program. Mentored as part of the Research Experience for Undergraduates at the University of South Florida. *Winner of the 2012 Research Experience for Undergraduates' Outstanding Research Paper Award.*
- Ashley Ogle (2011-2012), co-mentor. Clinical history and characteristics of persons with oxycodone-related deaths in Hillsborough County, Florida in 2009. Mentored as part of volunteer undergraduate research. Research presented at undergraduate and national conferences. *Winner of Best Poster in Behavioral and Social Sciences category at the 9th Annual Undergraduate Research Symposium, University of South Florida, Tampa, Florida.* Manuscript published in the peer-reviewed journal, *Forensic Sciences International.*

TEACHING EXPERIENCE

Teaching

- Fall 2013 *Co-Occurring Disorders.* Undergraduate-level core course in the Behavioral Healthcare major in the College of Behavioral and Community Sciences at the University of South Florida. This course covered a broad range of issues within the area of co-occurring mental health and substance use disorders, including prevalence, etiologies, evidence-based treatment practices, service delivery systems, as well as career opportunities within the field of behavioral health services. Responsibilities included course and syllabus design, development and delivery of course lectures, development and grading of course exams, development of grading rubric for student presentations, grading student presentations, as well as assisting students.

Graduate teaching assistantships

- Spring 2013 *Survey of Mental Health Planning, Evaluation and Accountability.* Graduate-level core methodology course in the College of Behavioral and Community Sciences and the College of Public Health at the University of South Florida (*instructor:* Roger Boothroyd, PhD). The course covered a broad range of evaluation methodologies and issues. Responsibilities included course and syllabus design, delivery of guest lectures, assisting students in coursework and evaluation term paper, development of grading rubric for student presentations, as well as grading of final term papers and presentations.
- Summer 2012 *Measurement in Behavioral Health Services Research and Evaluation.* Doctoral-level advanced measurement course in the College of Behavioral and Community Sciences and the College of Public Health at the University of South Florida (*instructors:* Roger Boothroyd, PhD; Mary Armstrong, PhD). The course covered issues of both quantitative and qualitative measurement at the individual, process, and system levels. Emphasis was placed on measurement issues associated with special populations (*e.g.*, children, geriatric). Responsibilities included course and syllabus design, delivery of course lectures, as well as assisting students.

Guest lectures

- Spring 2013 From WeCan! to YouCan!: Examining differences between younger and older adults, guest lecture for undergraduate “*Co-Occurring Disorders*” class, University of South Florida College, College of Behavioral and Community Sciences, Tampa, FL (*instructors*: M. Scott Young, PhD and Kathleen Moore, PhD).
- Spring 2013 Research in practice: Evaluation of the WeCan! drug court program, guest lecture for undergraduate “*Introduction to Research and Writing in Criminology*” class, University of Tampa College of Social Sciences, Mathematics and Education, Tampa, FL (*instructor*: Eugena Givens, PhD[c]).
- Spring 2013 Quantitative evaluation methods, guest lecture for doctoral “*Survey of Mental Health Planning, Evaluation and Accountability*” class, University of South Florida, College of Behavioral and Community Sciences and the College of Public Health, Tampa, FL (*instructor*: Roger Boothroyd, PhD).
- Spring 2013 System-level theory and evaluation, guest lecture for doctoral “*Survey of Mental Health Planning, Evaluation and Accountability*” class, University of South Florida, College of Behavioral and Community Sciences and the College of Public Health, Tampa, FL (*instructor*: Roger Boothroyd, PhD).
- Spring 2013 On writing: From start to submit, guest lecture for post-baccalaureate “*Pro Seminar II: Behavioral Research Immersion to Develop Graduate Excellence (BRIDGE)*” class, University of South Florida, College of Behavioral and Community Sciences (*instructors*: Kathleen Moore, PhD and M. Scott Young, PhD).
- Fall 2012 Research in practice: Evaluation of a drug court, guest lecture for undergraduate “*Introduction to Research and Writing in Criminology*” class, University of Tampa College of Social Sciences, Mathematics and Education, Tampa, FL (*instructor*: Eugena Givens, PhD[c]).
- Summer 2012 Cognitive interviewing: Overview, practical considerations and example, guest lecture for doctoral “*Measurement in Behavioral Health Services Research and Evaluation*” class, University of South Florida, College of Behavioral and Community Sciences and the College of Public Health, Tampa, FL (*instructor*: Roger Boothroyd, PhD).
- Summer 2012 Practical issues in measure development, guest lecture for doctoral “*Measurement in Behavioral Health Services Research and Evaluation*” class, University of South Florida, College of Behavioral and Community Sciences and the College of Public Health, Tampa, FL (*instructor*: Roger Boothroyd, PhD).

COMPUTER & TECHNOLOGY SKILLS

SPSS, SAS, SQL, MPlus, Microsoft Word, Microsoft Excel, Microsoft Access, Microsoft PowerPoint

HONORARY AND PROFESSIONAL MEMBERSHIPS

Member, *American Evaluation Association* (Summer 2011 – 2015)

Member, *American Public Health Association* (Fall 2010 – 2015)
Member, *Psi Chi, National Honor Society for Psychology* (Fall 2008 – 2015)
Member, *Golden Key International Honor Society* (Spring 2007 – 2015)
Member, *College of Arts and Sciences Honor Society* (Fall 2007 – 2015)

JOURNAL REVIEWING

Ad Hoc Reviewer, *Journal of Behavioral Health Services & Research*, April 2009 to 2015.
