

**Jason D. Lind, PhD, MPH**

**HSR&D Center of Innovation on Disability and Rehabilitation Research  
Health Science Specialist  
Applied Anthropologist**

**PERSONAL INFORMATION**

8900 Grand Oak Circle Tampa, FL 33637-1022  
813 558-7621 office  
813 415-7589 cell  
Jason.Lind@va.gov

**RESEACH INTERESTS**

Applied medical anthropology, applied epidemiology, health disparities, migrant health, infectious disease, parasitology, social marketing, mixed methods study design, ethnography, qualitative data analysis, social network analysis, cultural consensus analysis, behavioral observation, health information technology, usability and user experience, Colombia, Costa Rica, and Latin America.

**EDUCATION**

**2009, Ph.D., Applied Anthropology** University of South Florida, Tampa, FL GPA: 3.74. Dissertation Title: The Political Ecology of Intestinal Parasites among Nicaraguan Immigrants in Monteverde, Costa Rica.

**2009, MPH - Global Communicable Diseases** University of South Florida, Tampa, FL GPA: 3.74. Thesis Title: The Political Ecology of Intestinal Parasites among Nicaraguan Immigrants in Monteverde, Costa Rica.

**2000, MS – Anthropology** Minnesota State University, Mankato, MN GPA: 3.95. Thesis Title: Biomedical Perspectives vs. Ethnomedical Perceptions: A Look at Health Beliefs and Behaviors Related to Diarrheal Diseases in Lowland Bolivia.

**1996, BA - Spanish/Latin American Studies**, Minnesota State University, Mankato, MN GPA: 3.09. Senior Paper: Roots of the Rebellion: A Socio-cultural Perspective of the Zapatista Uprising in Chiapas, México

**ADDITIONAL TRAINING**

2017, **ATLAS.ti Summer Workshop Series**, Oregon State University, Corvallis, OR, Courses: Approaches to Qualitative Data Analysis

2016, **Research Methods in Cultural Anthropology**, University of Florida, Gainesville, FL. Courses: Social Network Analysis in Cultural Anthropology; Methods of Behavioral Observation

2007 – 2008, **Training in Social Marketing**, University of South Florida College of Public Health. Courses: Introduction to Social Marketing, Focus Group Moderation; Health Message Design, Social Marketing Field School, USF College of Public Health

2002 – 2003, **Special Training in Diagnostic Parasitology and Laboratory Management** University of South Florida, Department of Global Public Health, Donald L. Price Center for Parasite Repository and Training. Tampa, FL

2001, **Globalization, Nutrition and Infectious Disease Field School (Graduate Assistant)**. Monteverde Institute, Monteverde Costa Rica

## **LANGUAGE SKILLS**

**English:** Native Language

**Spanish:** Fluent in speaking, reading, writing with extensive experience conducting interviews, focus group interviews, classes, lectures, and workshops

**Portuguese:** Beginning level speaking, reading, writing

## **WORK EXPERIENCE**

2009-Present, **U.S. Department of Veterans Affairs**. Center of Innovation for Disability and Rehabilitation Research. Title: Research Health Science Specialist - Qualitative Health Researcher. Duties: Research co-investigator, qualitative and mixed-methods research design, analysis, and dissemination of rehabilitation and disability research

2008-2009, **University of South Florida, College of Public Health - Center for Social Marketing**. Title: Social Behavioral Researcher. Duties: Assist in design, data collection, data analysis and dissemination of a large scale social marketing campaign for the Gulf of Mexico Alliance

2007-2009, **University of South Florida, College of Public Health - Florida Prevention Research Center**. Title: Research Associate. Duties: Employed community based prevention marketing (CBPM) to develop, implement, evaluate, and disseminate evidence-based approaches to prevent occupational injuries among citrus pickers in South Florida.

2005-2006, **Universidad Industrial de Santander – Escuela de Idiomas**. Bucaramanga, Santander, Colombia Title: Assistant Professor. Duties: Taught a series of classes on applied educational research methods

2001-2004, **University of South Florida - Globalization Research Center**. Title: **Graduate Research Assistant**. Duties: **Conducted rapid ethnographic assessment of the household management of health, water and waste in three rural communities near Monteverde, Costa Rica**

2000-2001, **University of South Florida – Department of Anthropology**. Title: **Graduate Teaching Assistant**. Duties: **Taught two semesters of "Introduction of Anthropology" and developed course materials, lectures, and exams**

1999-2000, **Minnesota State University, Mankato – Department of Anthropology**. Title: **Graduate Teaching Assistant**. Duties: **Assisted in teaching "Introduction to Anthropology" and designed and taught a graduate level class "Ethnography of Latin America"**

1997-1998, **Migrant Health Services Inc.** Title: Health Technician – Interpreter. Duties: Performed basic diagnostic tests including blood sugar and hemoglobin and medical interpretation (Spanish/English) between migrant farmworkers and nurse while providing basic primary care and referrals.

1997-1998, **Minnesota State University - Mankato, Department of Modern Languages.** Title: **Graduate Teaching Assistant Duties: Taught introductory level Spanish**

1996-1997, **Centers for Disease Control and Prevention and the US Agency for International Development.** Title: Applied Anthropologist. Duties: Collected ethnographic data on household health, behaviors relating to water management, knowledge and perceptions of water borne diseases. Conducted process and summative evaluation of a point of use, clean drinking water intervention aimed at reducing childhood diarrhea.

1994-1995, **Seneca Foods Corporation.** Title: Bilingual employment representative. Duties: Staffing, providing work safety training and maintaining a seasonal migrant labor force at a large food processing plant.

## **VOLUNTEER EXPERIENCE**

2017-Present, **National Association for the Practice of Anthropology** – Member at-Large

2016-Present, **USF Department of Anthropology Dissertation Committee Member**

2013-2017, **National Association for the Practice of Anthropology** - Volunteer Coordinator

2009-2011, **Florida Museum of Photographic Arts** – Youth Outreach Volunteer

2007-2009, **Lions Club of Immokalee, Florida** – Eye Screening Volunteer and Interpreter

2005, **Clinica Guane, Floridablanca, Colombia** – Environmental Health Trainor – Evaluator

2005, **Universidad Industrial de Santander** – Prevention of Cutaneous Leishmaniasis

1999, **Chicano-Latino Youth Leadership Institute** – Youth Facilitator

## **RESEARCH EXPERIENCE (Active)**

2017-Present, **Evaluation of a Community-Based Arts Program for Veterans, VA Center of Innovation for Disability and Rehabilitation Research and Art2Action Inc. Tampa, FL.** Role: (Co-I) Lead Qualitative Design and Evaluation. **Overview:** The objective of this project is to conduct a program evaluation of a community-based theatre arts workshop series offered to Student Veterans and Veterans enrolled in a Psychosocial Rehabilitation and Recovery Program in Tampa, FL **Funding:** The Doris Duke Charitable Foundation

2016-Present, **Development and Implementation of a Standardized Fall Risk Assessment for Homebased Primary Care (HBPC) Programs. VISN 8 Patient Safety Center of Inquiry, James A. Haley Veterans Hospital, Tampa, FL.** Role: (Co-I) Qualitative Design Lead, Data Collection, Analysis, and Dissemination. **Overview:** The objective of this project is to develop an evidence based fall risk assessment for an HBPC program, pilot test it, modify based on feedback and develop a tool kit to be shared with HBPC programs nationally. **Funding:** VA National Center for Patient Safety

2014-Present, **Utilization of Geographic Mapping and System Redesign Efficiency Tools to Expand Urban and Rural Home-Based Primary Care. Greater Los Angeles VA Medical Center & VA Center of Innovation for Disability and Rehabilitation Research, James A. Haley Veterans Hospital, Tampa, FL.** Role: (Co-I) Proposal and instrument development; lead data collection, qualitative research design. **Overview:** The objective of this quality improvement project is to implement and disseminate ArcGIS mapping tools to facilitate efficiency in Home-Based Primary Care. **Funding:** Office of Rural Health – \$388,802

2013-present, **Action Ethnography of Community Reintegration for Veterans with Traumatic Brain Injury. VA Center of Innovation for Disability and Rehabilitation Research, James A. Haley Veterans Hospital, Tampa, FL.** Role: (Co-I) Co-Investigator – Qualitative Research. Overview: The goal of this project is to better understand the experiences of Veterans with moderate to severe TBI, families and CR workers as they transition to and sustain living in communities. Funding: VA HSR&D – \$996,953

2014-2015, **Formative Evaluation of a Web-Based Instruction Designed to Promote Rural Veterans' Adoption of VA's Electronic Health Resources.** VA Center of Innovation for Disability and Rehabilitation Research, James A. Haley VA Medical Center, Tampa, FL. **Role:** (Co-I) Lead qualitative researcher. **Duties:** The purpose of this project is to formally evaluate a game-motivated instructional website to increase Veteran and caregiver use of patient-facing platforms including MyHealtheVet, Mobile Health, Kiosks, and Tele-Health. **Funding:** T21 Office of Rural Health – \$102,000.

2013-2015. **Veterans and Caregivers Preferences for Exchanging Information Using VA Health Information Technology.** VA Center of Innovation for Disability and Rehabilitation Research, James A. Haley VA Medical Center, Tampa, FL. **Role:** (Co-I) Proposal and instrument development; lead data collection, qualitative research design **Overview:** The objective of this research will help researchers and operations understand the preferences of older Veterans with co-morbid conditions (e.g. diabetes, high blood pressure, COPD) in using VA health information technology services and resources with the objective to iteratively refine a visual modeling system to improve patient satisfaction and engagement in VHA HIT. **Funding:** QUERI – \$150,000

2012-2014. **Measuring Quality of Life in Veterans with Deployment-related PTSD.** VA Center of Innovation for Disability and Rehabilitation Research, James A. Haley VA Medical Center, Tampa, FL. **Role:** (Co-I) Lead qualitative researcher. **Duties:** The purpose of this study is to develop a psychometrically sound tool to measure health-related quality of life (HRQOL) in Veterans with deployment-related PTSD. Qualitative methods are used to develop new testing items. **Funding:** VA HSR&D – \$1,002,000

2011-2013. **Veterans' Experiences Using Secure Messaging on My HealtheVet.** VA Center of Innovation for Disability and Rehabilitation Research, James A. Haley VA Medical Center, Tampa, FL. **Role:** (Co-PI) Proposal and instrument development; lead data collection, qualitative research design. **Duties:** The objective of this research collaboration between Tampa VAMC and Boston VAMC is to describe the characteristics, beliefs, attitudes, behavioral control and intention, and experiences of Veterans who use Secure Messaging on HealtheVet and conduct usability testing to produce generalizable knowledge to promote the sustainability of Secure Messaging. **Funding:** QUERI – \$150,000

2011-2013. **Patient Dignity and Safe Patient Handling in VA Spinal Cord Injury Units.** VA Center of Innovation for Disability and Rehabilitation Research, James A. Haley VA Medical Center, Tampa, FL **Role:** (Co-PI) Proposal and instrument development; lead data collection **Duties:** Conduct descriptive qualitative research project using a multiple case study design and ethnography to describe the range of perceptions of dignity related to safe patient handling among veterans with spinal cord injuries in six VA SCI centers. **Funding:** VACO – \$150,000

2011-2013. **Exploring Deployment Stress and Reintegration in Army National Guard Chaplains.** VA Research Center of Excellence, James A. Haley VA Medical Center. **Role:** (Co-I) Lead qualitative data collection. **Duties:** Assess the impact of deployment on religious and spiritual experiences including coping, resilience, health behaviors and reintegration of ARNG Chaplains. **Funding:** HSR&D Pilot – \$196,000

2011-2012. **Mitigating Adverse Patient Events Associated with Safe Patient Handling Equipment. VA Research Center of Excellence, James A. Haley VA Medical Center. Role:** (Co-I) Lead qualitative data collection. **Duties:** This one year quality improvement project explored VA employees' experiences with adverse patient events associated with safe patient handling equipment use in VA Medical Centers. **Funding:** VA RR&D Pilot – \$50,000

2009-2011, **Practice Variation in Post-Operative Care of Pressure Ulcers in SCI. VA Research Center of Excellence, James A. Haley VA Medical Center. Role:** (CO-I) Lead qualitative researcher. **Duties:** Collect and analyze provider focus group and interview data at five VA hospitals to develop standardized clinical protocols related to patient post-operative mobilization. **Funding:** SCI QUERI – \$100,000

2006-2009, **Effects of Exercise on Gait and Balance in Peripheral Neuropathy VA. Research Center of Excellence, James A. Haley VA Medical Center. Role:** (CO-I) Lead qualitative researcher. **Duties:** The goal of this study is to improve successful adaptation to aging and quality of life in Veterans with lower extremity peripheral neuropathy. The purpose is to determine which type of exercise program is most effective (Tai Chi or Functional Balance Training) and most accepted by Veterans with lower limb peripheral neuropathy. **Funding:** VA RR&D

2008-2009, **Gulf of Mexico Alliance Environmental Awareness Campaign. The Center for Social Marketing, USF College of Public Health Role:** Social Behavioral Researcher. **Duties:** Moderate Spanish focus group; conduct key informant interviews; direct and manage qualitative data analysis using ATLAS.ti; data dissemination

2007-2009. **Partnership for Citrus Worker Health.** Florida Prevention Research Center, USF College of Public Health. **Role:** Research Associate/Assistant Field Coordinator. **Duties:** Curriculum development; health promoter training and supervision; project evaluation

2009, **Sabemos “Por Respeto-Aquí No Se Fuma”.** Florida Prevention Research Center, USF College of Public Health and the Centers for Disease Control. **Role:** Research Associate. **Duties:** Project evaluation of second hand smoke prevention program; Spanish key informant interviews and direct observation

2007-2008, **Using Exercise as Fall Prevention for Patients with Peripheral Neuropathy. James A. Haley VA Hospital, Patient Safety Center, Tampa, FL. Role:** Qualitative Health Researcher. **Duties:** Patient focus group interviews and qualitative data analysis using *Ethnograph*

2005. **Diplomado: Salud, Ambiente y Vida “Entre la Gente”.** Universidad Industrial de Santander, Bucaramanga, Santander, Colombia. **Role:** Head Evaluator. **Duties:** Program development, implementation, and evaluation of an environmental health community-based certificate program

2005-2006, **Redes Comunitarias para la Prevención del Leishmaniasis Cutánea en Santander, Colombia. Universidad Industrial de Santander, Bucaramanga, Santander, Colombia. Role:** Visiting Professor – UIS Medical School, Department of Microbiology. **Duties:** Community outreach and training; key informant interviews about health beliefs and behaviors relating to Cutaneous Leishmaniasis

2004-2005, **Dissertation Research: The Political Ecology of Immigrant Health: Health. isparities of Nicaraguan Immigrants in Monteverde, Costa Rica University of South Florida-Monteverde Institute. Role:** Co-PI; ethnography of household health; diagnostic parasitology

2004-2005, **Pre-Dissertation Research: Household Management of Health, Water and Waste in Three Rural Communities in the Monteverde Zone, Costa Rica. USF-Globalization Research Center**

– **Monteverde Institute. Role:** Co- Principal Investigator. **Duties:** Rapid Assessment Procedures of household health and sanitation conditions

1998, **Ecumenical Task Force on Welfare Reform Project Minnesota State University-Mankato/Minnesota Futures Fund Role:** Researcher. **Duties:** In-depth interviews with area homeless; report writing

1996-1997, **Project “Agua Segura, CLARO” – Point of use water sanitation to prevent childhood diarrhea in rural Santa Cruz, Bolivia. US Agency for International Development and the Centers for Disease Control Role:** Project Anthropologist/Ethnographer. **Duties:** Ethnographic data on household health, knowledge and perceptions of diarrheal illnesses; process and summative evaluation of point of use water sanitation system

## **COMPUTER SKILLS**

Morae, User Experience and Market Research  
Microsoft Office Suite  
ATLAS.ti, Qualitative Data Analysis Software  
SPSS, Statistics Software  
Epi Info, Applied Epidemiology Software  
Esri Arc-GIS for Portal, Geographic Information Systems Software  
Zotero, Citation Management Software  
UCInet, Social Network Analysis software

## **SELECTED SCHOLARSHIPS, FELLOWSHIPS, GRANTS AND HONORS**

2003, Student Research Scholarship, USF College of Public Health  
2003, Student Honorary Awards for Research and Practice (SHARP), USF College of Public Health  
2003, Graduate Student Travel Award, USF Graduate and Professional Student Organization  
2002, Student Honorary Awards for Research and Practice (SHARP), USF College of Public Health  
2002, Graduate Student Travel Award, USF Graduate and Professional Student Organization  
2001, Globalization and Health Scholarship to Attend the Globalization, Nutrition and Infectious Disease Field School at the Monteverde Institute, Costa Rica, University of South Florida  
98-99, Andreas Foundation Graduate Scholarship for Anthropology, Minnesota State University  
1998, Academic Achievement and Leadership in Graduate Studies, Minnesota State University  
98-99, Volunteer Award for Working with Chicano-Latino Youth in Southern Minnesota, Region Nine Development Counsel, Mankato, MN.  
1997, Appreciation Award for Working for the Prevention of Diarrhea in Bolivian Children, Centers for Disease Control and Prevention, Atlanta, GA.
